	GSCP 2012 International Conference	
	About the event	
	Venue: Faculdade de Letras, Universidade Federal de Minas Gerais - Av. Antônio Carlos 6627, Belo Horizonte, Brazil	
	Objectives:	
	SSCP 2012 has as its main theme the relationship between speech and corpora studies and welcomes submissions about spoken corpora, their methodologies, data collection, objectives, validation techniques, besides linguistic analyses based on speech corpora.	
	Target public:	
	SSCP conferences cater to researchers interested in spoken communication with focuses ranging from the biological bases of communication to the speakers' strategies during interaction, including speech pathology, automatic treatment of speech data and resources for the study of speech (hanks, analysis, synthesis and automatic tagging resources).
